

**OW Staff Meeting Talking Points
7-26-13**

Bristol Bay

- As of 7/22 a total of 862,709 comments have been received and posted (the public comment period closed on June 30). Overall, the comments are supportive of the Assessment and most oppose the development of Pebble Mine.
- The Docket Center has also received approximately 7,000 postcards from individual citizens, many of whom reside in Bristol Bay. Most of them have unique hand-written messages and qualify as unique letters. These postcards are being processed by the Docket Center and are anticipated to be complete by August 7.
